

Venture Arts Presents

A showcase of vibrant and wide-ranging work by 80 Venture Arts studio artists, celebrating bold individual voices and the creativity at the heart of the studio.

For over 30 years, Venture Arts in Hulme, has supported learning disabled artists to develop and share their practice. Today, their work is gaining national recognition: Leslie Thompson was commissioned by the Government Art Collection for the King's Coronation; Barry Finan received the Paul Hamlyn Award for Visual Arts; and Michael Beard became the first non-verbal learning-disabled artist to receive a major commission from Manchester International Festival last summer.

This exhibition celebrates a studio where creativity, ambition, and visibility continue to grow.
